

QUICK CHANGE

This form is to request a place in the quick change area backstage during the mixed repertoire sections of Expo . (We already have a list for IYB.) Due to overcrowding in the past, you will need this form to allow you to change there.

****Please fill out one form for EACH quick change**

What is considered a quick change?

If you fall in this category, then you need to fill out the information below:

The Quick Change area is located backstage and is to be used ONLY by the people that have 3 or less songs between dances. If you qualify to be in Quick Change, you are to bring ONLY the costume/s that you will be quick changing into. The rest of your costumes need to stay in your assigned dressing room. When you arrive on the day of staging/dress rehearsals, please check in with the Quick Change volunteers to make sure they have you on their list. When you arrive on the day of the performance, you need to check-in first with your regular dressing room volunteer and then with the Quick Change volunteers. Take your quick change costume/s with you when you check-in at the Quick Change area. You can then return to your regular dressing room. Any questions may be directed to Lisa Davis.

***This form needs to be returned to the desk at Dancenter South by
Wednesday, June 7th to make sure you have a spot! 😊**
